SERVICE

We embrace the idea of Service to the Community as part of Creativity, Activity, Service (CAS), which forms an integral part of the IB programme, and has been adopted by the entire student body throughout the year.

- Service Accomplishments • Provided drinking water by laying 882 meters of pipelines for a needy village • Constructed a drainage system at settlement for destitute veterans from WWII • Constructed school blocks in rural communities. Initiated a scholarship scheme for underprivileged students
- We offer extended community service programmes on some weekends.
- The College has initiated joint CAS projects with schools outside Africa. We have hosted and worked with staff and students from Lillestrøm Videregående Skole, Norway; the American School of Paris, France; Phillips Exeter School and St Paul's School, New Hampshire, USA. Our students also visit these schools as part of our exchange programmes.
- Every year, our students win scholarships to participate in Youth Leadership Conferences outside the country.
